

# FREE UI KIT

A collage of various UI design components and wireframes. In the center-left, a large card titled '05. Buttons' details button variants like 'Full-width button', 'Icon Text', and 'Outline'. It also shows size variations (Small, Normal, Medium) and color variations (Primary, Secondary). A secondary card below it, titled '08. Selectors & Elements', shows a 'Toggle button' with states 'Default', 'Checked', and 'Disabled'. To the right, there's a date picker showing April 2021, a time picker from 00:00 to 23:59, and a search bar labeled 'Starting date'. Other visible elements include a 'Confirm' button, a 'Cancel' button, and a '+' button.

The image is a collage of various design assets arranged in a non-linear, overlapping fashion. In the top left, there's a section titled '03. Iconography' showing a blue clock icon with a grid overlay and text about spacing. To its right is a '02. Colors' section featuring a dark blue square labeled 'Primary #116ACC' and several smaller gray squares labeled 'Secondary 1 #182233', 'Secondary 2 #B3CEE2', 'Secondary 3 #D9DDE7', and 'Secondary 4 #FD4E5D'. Below these are sections for 'Text' and 'Icon' styling using '+' symbols. In the center, there's a '01. Typography' section with a table for font styles, including rows for 'Text Weight' (Light, Regular, Medium, Bold), 'Text Style' (Name, Weight, Size), and 'Line height'. The table uses the 'Ubuntu' font family. To the right of the typography is a 'Sample' section showing the text 'The quick brown fox jumps over the lazy dog' repeated multiple times in different sizes and weights. At the bottom right, there's a '04. UI Components' section showing a navigation bar with items like 'Home', 'About', 'Services', 'Contact', and 'Logout'. A large blue button labeled 'Get Started' is also visible. The overall aesthetic is clean and modern, using a palette of blues, grays, and reds.

The image is a collage of various wireframe designs from a user interface kit. It includes:

- A color palette section titled "Gray colors" showing four shades: Black (#2F80ED), Gray 1 (#2F80ED), Gray 2 (#2F80ED), and Gray 3 (#2F80ED).
- A color palette section titled "State colors" showing four states: Info (#2F80ED), Success (#27AE60), Warning (#E2B93B), and Error (#EB5757).
- A section titled "04. Text fields" showing "Field types": Field with label, Focused, Field with icon, Field with drag and drop, Filled, Typing, Tooltip, Multiselect, and Placeholder.
- A section titled "07. Notifications" showing a list of notifications: All, James Camry created a new task: Create level design (Just now), James Camry commented on an issue (5 minutes ago), Update your profile (1 day ago), and James Camry commented on an issue (June 6). It also shows a "Read" button.
- A "Snackbar" section showing a message: "This is a warning message." and "This is a success message."

The designs are arranged in a non-linear, overlapping fashion across the page.
